

GTV CORP DE ILUMINAT APLICAT PERETE - WALL FIXTURE LORET,7727,AC220-240V,50/60HZ,1*E27, MAX.40W, IP20, DIAMETER 20 CM, SINGLE, BLACK

An adjustable wall lamp whose shape resembles industrial lighting from the end of the 20th century. LORET matches raw interiors in industrial and loft style with exposed structural elements of the building. Due to its colours, the lamp is extraordinary, it catches the eye and gives the interior a
unique character. The timeless combination of black and brass can be successfully used in rooms with walls made of red brick or raw concrete.
Careful workmanship with attention to every detail and the very high quality of the materials used cause that LORET wall lamp can be used not only at home, but also as additional lighting in commercial projects such as hotels, pubs, cafes or restaurants.
The wall lamp is equipped with one E27
socket. Filament A60
works best as a
light source. Adjustable arm enabling setting the beam angle makes the lamp very functional;
The possibility of using as a
classic wall lamp and as a
reading lamp;
Never going out of style black colour in combination with brass emphasizes the sophisticated beauty of LORET lamp – brass shades bring elegance to the interior, they catch the eye and revive the space;
Careful workmanship guarantees long-term use;
Middle size lamp for one light source – the diameter of the lampshade is 20,6
cm. Power of light source or device max.40 W
Weight 1500 g
