

GTV CORP DE ILUMINAT APLICAT PERETE - WALL FIXTURE LORET,7871,AC220-240V,50/60HZ,1*E27, MAX.40W, IP20, DIAMETER 20 CM, SINGLE, WHITE

An adjustable wall lamp whose shape resembles industrial lighting from the end of the 20th century. LORET matches colonial style interiors.
The combination of white and chrome gives the impression of lightness. White colour of a lampshade is timeless, it adds elegance to the interior and brightens it. In light, spacious rooms it creates a coherent composition, while in dark ones it occurs as a contrasting accent. It is worth stressing that LORET looks very good among delicate stucco, fabric wallpapers and rattan.
Careful workmanship with attention to every detail and the very high quality of the materials used cause that LORET wall lamp can be used not only at home, but also as additional lighting in commercial projects such as hotels, cafes or restaurants.
The wall lamp is equipped with one E27 socket. Filament A60 works best as a light source. Adjustable arm enabling setting the beam angle makes the lamp very functional;
The possibility of using as a classic wall lamp and as a reading lamp;
Timeless, always fashionable colours;
Careful workmanship guarantees long-term use;
Middle size lamp for one light source – the diameter of the lampshade is 20,6 cm. Power of light source or device max.40 W
