

GTV CORP DE ILUMINAT APLICAT PERETE - WALL LUMINAIRE SELVIA II WITH ON, 9515, MAX250V, 50/60HZ, 1*E14, MAX.25 W, IP20, DIA.10 CM, NAVY BLUE

Selvia II wall lamp is a
stylish and elegant complement to private spaces, cafes or restaurants. Its universal form will meet various needs, subtly illuminating selected points. Together with other lamps from the Selvia II series, it creates a complex and beautiful lighting arrangement.
A classic wall lamp in a
minimalist form that will complement both modern, minimalist and classic arrangements, this is Selvia II wall lamp. Designed for zonal illumination of space, it will be perfect by the bed in a
home bedroom or hotel room, it can be used as exhibition lighting by a
mirror or a
picture, there can be many forms of its application.
Selvia II wall lamp is available in four colour variants, from shimmering gold in a
classic shade, through subdued black, to deep navy blue and dynamic red. All options have a shimmering, reflecting and diffusing light in common, golden centre that adds character to each of the sconces and makes this small element of the arrangement noticeable. Universal zonal illumination that will be perfect in many places.
Refined convenience of use, the switch at hand and the ability to control the angle of light.
Attractive design that harmonizes with numerous arrangement styles.
A small, beautiful decorative element that increases functional comfort in the interior. Producent code OS-SELVIIW-25-DEC
Pret: 68,70 LEI (TVA inclus)
